

# **EPOS-BE MAILING LIST PRIVACY POLICY**

Last update: 04/10/2023

This document provides information on the handling of the email addresses that the Royal Observatory of Belgium (ROB) collects in the frame of its activities as Belgian contribution to the European Plate Observing System (EPOS).

## **Content of personal data**

ROB collects email addresses of persons who subscribed to the EPOS-BE or EPOS ERIC mailing lists.

## **Distribution of personal data**

The list of subscribers to the EPOS-BE mailing list is kept internally at ROB and not provided to third parties, except for the subscribers to the EPOS-ERIC mailing list whose email addresses will solely be provided to the managers of the EPOS ERIC mailing list.

## **Usage**

ROB uses the email addresses of the subscribers to the EPOS-BE mailing list solely for distributing the EPOS-BE mails, which will provide information in relation to the Belgian contribution to EPOS.

## **Editing and removal**

The personal data of the subscribers to the mail exploder can be edited or removed by contacting [epos-be@oma.be](mailto:epos-be@oma.be).

## **Right to be forgotten**

ROB does not keep any personal data of previous subscribers who unsubscribed from the mailing list.
